ITINERARY

Day 1 - Saturday - Trogir

After boarding at 1800, we will sail little less than 10 nautical miles to Maslinica, a small fishing village on the island of Solta. This quiet and relaxing place, known for its charms, offers breathtaking views, picturesque stone houses and a protected natural harbour. Maslinica Beach is one of the most beautiful on the islands of Solta, with its crystal clear waters and white sand. It is a perfect place to disconnect and enjoy nature. It is also possible to have an aperitif at the Martinis Marchi Fortress: Visitors can enjoy a panoramic view of the harbour from the terrace. We will spend the night at anchor in the bay after our first dinner on board.

Day 2 - Sunday - Maslinica/Palmizana

After a morning swim, we will sail into Palmizana, an island that is part of the Pakleni Islands archipelago. Here, you can engage in water sports or simply swim to enjoy its beautiful beaches. In the afternoon visit the exotic botanical garden which is home to hundreds of rare plants. According to the island's history, it was created by the Meneghello family who transformed the barren land into a paradise. You can also visit Hvar by water taxi famous for its historical gothic and renaissance architectural styles. We will have dinner on board and the night will be at anchor.

Day 3 – Monday – Palmizana – Vis

Vis and its surrounding islands are a sailor's paradise and one of the highlights of the week, which we will discover from its eastern coast. The Island of Vis holds a special place for many Croatians as it is a truly preserved island. After lunch, we will sail to Smokova Bay, a beautiful uninhabited anchorage with turquoise waters ending on a fine sandy beach known to the locals of Vis as the "survivors" beach. Later in the afternoon, we will head to our next cove, Zaglav Bay, another enchanting bay with a sandy beach. We will spend the evening there at anchor with dinner on board.

Day 4 – Tuesday – Vis – Budikovac – Bizevo

In the morning, we will have a very short sail to the Blue Lagoon at Budikovac (near Vis), a perfect place to have breakfast, enjoy the first swim of the day, or engage in water sports. After lunch, we will sail to Bisevo, the small neighbouring island to Vis. Bisevo's coastline is a mix of high cliffs, caves and beautiful beaches. Our first stop will be at the "Monk Seal Cave". It is not possible to anchor here, so you can either enjoy the view from the boat or swim to the cave. For the evening we will circle the island to spend the night in Salbunara Bay, with dinner on board at anchor.

Day 5 – Wednesday – Bisevo – Vis

After breakfast in Salbunara Bay, we will head to the island of Vis and anchor near an underwater tunnel in a bay just north of
