ANTARCTICA DIRECT: SAIL AND FLY THE DRAKE PASSAGE EXPEDITION CRUISE

Experience the wild grandeur of the White Continent in a more efficient, expedient way. On this new itinerary, cruise the Drake Passage one way, and then bypass the Drake Passage on the way back on a 2-hour flight from Antarctica and discover all of the highlights without sacrificing the extra time. Travel with a diverse team of experts aboard the National Geographic Explorer, the definitive expedition ship. Venture into channels and coves framed by towering peaks. Watch for whales off the bow; Zodiac cruise around enormous icebergs; and hike, kayak, and even possibly cross-country ski in complete tranquility. Choose an active agenda or surrender to the pleasures of relaxing downtime and shipboard camaraderie. Plus, get top shots with the help of a National Geographic Photography Expert.

ITINERARY

DAY 1 Ushuaia, Argentina

Arrive in Ushuaia. Sandwiched between ice-mantled peaks and the frigid waters of the Beagle Channel, this is a fittingly wild

The Small Cruise Ship Collection

www.small-cruise-ships.com

small-cruise-ships.com

info@small-cruise-ships.com

place to be known as "El Fin del Mundo" or "The End of the World." Transfer from the airport to our hotel. Join us this evening for dinner and a briefing on our upcoming adventure.

Arrival Time: Arrive by 6:00 p.m. local time.

Arrival City: Ushuaia, Argentina

Meals Included: Dinner

DAY 2 Ushuaia / Embark Ship

Check out of our hotel and begin exploring this amazing region. Visit Tierra del Fuego National Park, clad in dense beech forest just as much of Antarctica was millions of years ago. Savor lunch on board a private catamaran as you cruise the Channel, keeping an eye out for plump South American sea lions and sleek seabirds like the imperial cormorant. By day's end, you'll be comfortably on board the ship and ready to sail off to the White Continent.

Meals Included: Breakfast, Lunch, Dinner

DAY 3-4 At Sea Crossing the Drake Passage

At times ferocious, at others flat calm, this legendary 500-mile-wide strait divides South America from the Antarctic Peninsula. Feel the excitement build as we begin the crossing, often accompanied by seabirds like the wandering albatross and—if luck allows—a pod of killer whales or rare dolphins. Get to know the ship and prepare for the adventures ahead. Visit the

Bridge (ideal for wildlife spotting), relax with a massage, attend a talk on the unique biology of penguins, or simply settle into a comfy chair in the observation lounge, looking out over the waves as you contemplate the history of this passage named for English privateer Francis Drake, but first discovered by Spanish navigator Francisco de Hoces.

Meals Included: Breakfast, Lunch, Dinner

DAYS 5-8 Exploring Antarctica

With long hours of daylight at this time of year, we have ample opportunities to explore. Our schedule is flexible, allowing us to take advantage of the unexpected, whether we're watching whales at play off the bow of our ship, hiking alongside penguin highways, or enjoying an evening Zodiac cruise amid porpoising penguins. While wildlife is magnificent, ice defines the Antarctic. You'll get to know ice up close and personal—from icebergs the size of islands, bergy bits and near-vertical glaciers, to the fragile, nearly invisible layers that have just begun to freeze. One day, we might set out by kayak to encounter towering icebergs at water level; embark on a Zodiac excursion in search of seals and blue-eyed shags; or walk amid thousands of Adelie and gentoo penguins. The next, we might experience the thrill of the ship crunching through pack ice. Everywhere we go in Antarctica we're surrounded by opportunities to capture uniquely beautiful images. Along the way, your expert expedition team will enrich every experience.

Meals Included: Breakfast, Lunch, Dinner

DAY 9 King George Island / Disembark Ship / Puerto Natales, Chile

The Small Cruise
Ship Collection

www.small-cruise-ships.com

This morning finds us off of King George Island. Home to a diverse assortment of wildlife--Weddell and elephant seals; Adelie, chinstrap, and gentoo penguins--this island also has a human presence. Researchers from a wide range of countries, including the US, Chile, Argentina, and Brazil, call the various stations home. Disembark and Zodiac ashore to board our 2-hour flight back to Puerto Natales where we will overnight at Hotel Costaustralis or Remota Patagonia Lodge (or similar).

Meals Included: Breakfast, Lunch, Dinner

DAY 10 Puerto Natales

Check out of your hotel and transfer to the airport to begin your journey homeward.

Departure Time: Outbound flights from Puerto Natales should depart no earlier than 3:45 p.m. local time (or as late in the day as possible).

Departure City: Puerto Natales, Chile

Meals Included: Breakfast

Please note:

Itineraries are subject to change.
