## ANTIQUITY TO BYZANTIUM ABOARD GALILEO

A voyage through history dedicated to the Golden Age of Greek civilization and beyond, this cruise comes complete with a guest lecturer, Eugenia Alexiou. Eugenia has a Master's degree in Byzantine Art, is an expert historian and, as a graduate of the Athens' Tour Guide Academy, is the perfect tutor through all the classical sites and sights we visit. This journey to off-the-beaten track locales in the Peloponnese peninsula is a masterclass on the journey through classical antiquity and the Roman conquest, ending with the transition to the Christian empire of Byzantium. .

theater, which is once again in use today. The sanctuary was looted by the Roman general Sulla by pirates and later by Goths in 395 A.D. and very little remains of it today. The prosperity brought by the Asclepieion enabled the residents of Epidaurus to construct civic monuments, including a huge theater (approximately 300 B.C.) renowned for its symmetry and beauty. Lunch on ship and afternoon sailing to Nafplion. Overnight at port.

#### Day 3 | Sunday Nafplion - Mycenae

After a short walking tour of Nafplion, drive through the colorful city and the beautiful countryside of Argolis towards Mycenae. The importance of the city, which Homer calls "rich in gold" begins in 1650 B.C and ceases around 1100 B.C with the fall of the civilization to which it gives name. Visit the remains of the ancient glorious city including the Lion's Gate, the Palace, the so called Agamemnon Tomb and the museum. Lunch on ship and afternoon sailing to Monemvasia. Overnight sailing to Gythion.

#### Day 4 | Monday Gythion

Early morning arrival to Gythion. Optional excursion to Mani peninsula and Cape Tenaro plus the spectacular Dirou Caves with their stalactites and stalagmites. Ancient Gythion was inhabited during prehistoric times and later the Spartans used as a port, enlarging the natural harbor they made Gythion their naval base. Leaving Gythion we will cross the scenic Mani Peninsula to reach Diros and visit the spectacular caves, discovered around the 60s, which are perhaps among the most important natural sites of Greece. After visiting the cave we will drive to nearby Areopolis for a short stroll through the town. Mani is at the tip of the Peloponnese, a distinctive area unlike any other area in Greece. A desolate region of underground lakes and rivers, windswept landscapes and towers which are

strangely beautiful. Overnight at sea to Pylos.

#### Day 5 | Tuesday Pylos

Pylos is a picture perfect seaside town on the southwest corner of the Peloponnese. In 1827 a fleet of Venetians and other city states defeated an Ottoman fleet in one of the most important naval battles in history. This defeat led to the independence of Greece, which occurred in 1829. After stopping to admire the scenery, we will continue up the road to Nestor's Palace. Highlights include the well preserved royal apartments and a bathtub that archaeologists have speculated belonged to the old king himself. The palace, with its central courtyard, was originally two stories high and richly decorated with frescoes. Following our optional excursion to the remains of the palace, we will make the short trip to the town of Hora where a superb archaeological museum holds thousands of artifacts recovered from the site. Overnight sailing to Katakolon.

#### Day 6 | Wednesday Katakolon for Olympia

Early morning arrival in Katakolon. We will disembark the ship around 7:00 a.m. in the port town of Katakolon and travel by bus for our optional excursion to Olympia, one of the most famous and important sites in the ancient world. Olympia is revered as the birthplace of the Olympic Games. You will also explore the Temple of Hera, the magnificent temple of Zeus the Philippeion, lodging place for the athletes who participated in the games. We later visit the Olympia Museum, one of the most beautiful museums in the world. Following lunch in the town of Olympia, we'll visit the museum of the History of the Olympic Games of Antiquity. Unlike the main archaeological museum, this building houses statuary and a host of artifacts specifically related to the ancient Olympic Games. After having time at leisure we will travel overland to Patras on the north coast of the peninsula,

Delphi was revered for hosting the most important oracle in the classical world and visitors from across the Greek world travelled here to consult with the oracle. We will walk around the ruins complex including the Sanctuary of Athena Pronaia, the Castalian Spring and the Gymnasium and visit the adjoining museum. Return to the ship for lunch and afternoon sailing. Later in the evening Captain's Farewell Dinner and arrival in Corinth.
