ITINERARY

DAY 0 PRE CRUISE

DAY 1 PHILIPSBURG, SINT MAARTEN

Philipsburg, St. Maarten's Dutch capital, with colourful houses, a bustling bayside boardwalk, beachfront eateries and excellent duty-free shopping, provides an enchanting gateway to the island. Nearby, 17th-century Fort Amsterdam ruins grace a peninsula. Soft-sand beaches like Great Bay and Little Bay, featuring colourful reefs and shipwrecks, are within easy reach, and hiking trails lead to Geneve Bay's natural swimming pool and Guana Bay.

The seaside town of Gustavia, Saint Bart's capital, was founded in 1785 by King Gustav III of Sweden. Among the world's most beautiful harbours, Gustavia is encircled by French-inspired boutiques, restaurants and bars along Rue de la Republique. On the western side of the bay, the remains of 17th-century Fort Karl is one of three forts that defended the island during Sweden's rule. Shell Beach is the only beach in town bordered by restaurants.

DAY 3 DESHAIES, GUADELOUPE

Known for its colourful Creole architecture and cuisine, Deshaies is a picturesque fishing village on the western side of Basse-Terre Island in Guadeloupe. The Jardin Botanique de Deshaies hosts an impressive collection of lush tropical plants, exotic flowers and serene ponds. Grande Anse Beach lures beachgoers with its golden sands and crystal-clear waters, often regarded as one of Guadeloupe's most picturesque coastal stretches.

DAY 4 SAINT-PIERRE, MARTINIQUE

St. Pierre, once dubbed the Paris of the West Indies, received a

tragic blow in 1902 when Mount Pelee erupted, decimating the town. The Musee Volcanologique Franck Perret is a tribute to that event, housing artefacts and memorabilia from the eruption. Today, St. Pierre's resurgence is a testament to human resilience, with its historic ruins of the old town, including the cathedral, the prison and the library, museums and a captivating coastline.

DAY 5 SOUFRIERE, ST LUCIA

The towering twin volcanic spires of the Pitons dominate the scenery of spectacular Soufriere Bay. Below the peaks, Soufriere - St Lucia's original capital - is charming, with colourful wooden houses and a relaxed vibe. St Lucia's highlights include the 18th-century cocoa plantation Morne Coubaril, Sulphur Springs mineral-rich mud baths at a collapsed crater, and Rainforest Adventures where a zipline and open-air cable car glide over the trees.

DAY 6 MAYREAU

Tiny Mayreau island in the Grenadines offers a special Caribbean retreat accessible only by boat. With just 250 residents and no airstrip, Mayreau remains unspoilt. Salt Whistle Bay's pristine sands rank among the Caribbean's top ten beaches. Mayreau provides all the ingredients for a secluded island haven with charming hillside villages, and divine beaches

and bays for swimming and kitesurfing.

DAY 7 BRIDGETOWN

Bridgetown, the vibrant capital of Barbados, is a dynamic Caribbean city that merges historical charm with modern energy and a warm island welcome. Its UNESCO-listed historic district showcases colonial-era architecture, including the 1870s'-built Parliament Buildings. The bustling city offers colourful markets, duty-free shopping and Bajan restaurants. Bridgetown also has pristine beaches with crystal clear waters, such as Carlisle Bay.

Our stylish cabins all have desks, a dressing area and comfy seating. En suite bathrooms all feature glass-enclosed rain showers. Wheelchair access Guests who use wheelchairs must bring their own, as we have only a small number of wheelchairs stored onboard for emergencies. To ensure ease of movement on the ship, wheelchairs and mobility aids must be no wider than 65cm. All mobility or medical

To ensure that all guests can safely evacuate during an emergency, guests requiring a wheelchair can only be accommodated in our ADA-accessible cabins. We offer an Oceanview stateroom on Vega which is specifically designed to be completely ADA compliant and have a fully operable wheelchair-access wet unit. Vega has two lifts, serving every passenger deck apart from the Stargazing top deck, which is, therefore, more difficult to access, as are the Aft Marina and Swan's Nest forward observation platform. Also, we don't have special equipment to access the swimming pool, jacuzzi, or sauna. Otherwise, the ship is entirely at your disposal. Many of the expeditions ashore in remote places are by Zodiac. Boarding these boats and returning aboard can present challenges for wheelchair users, as can navigating uneven terrain. These challenges are by no means always insurmountable, though, and our highly experienced crew is trained to provide reliable advice and assistance. They will make every effort to ensure wheelchair-using guests enjoy a memorable experience at each destination. Our general guidance, however, is to recommend wheelchair users travel with a companion for their ease and enjoyment. If you prefer to remain aboard, our panoramic interiors and ample open decks ensure an immersive, intimate experience of your inspiring

surroundings.
