VOLCANIC LANDSCAPES FROM CAPE VERDE TO CANARY ISLANDS LUXURY CRUISE

Taking care of your body and your mind... Such is the core concept of this unique cruise, in partnership with Le Tigre Yoga Club and with the exceptional presence of Élodie Garamond, yoga instructor and founder of Le Tigre Yoga Club, and Lilia Hassaine, novelist. Between the volcanic archipelagos of Cape Verde and the Canary Islands, PONANT invites you an unforgettable 11-day interlude, leaving from Dakar, Senegal's lively capital. This journey aboard Le Dumont-d'Urville will take you into the heart of uniquely and wildly beautiful landscapes, featuring majestic volcanos, lush green valleys, isolated inlets, verdant cliffs and historic cities with multiple sources of heritage. Throughout your journey, you will benefit from an excursion included per person per port of call, to choose from a selection offered by PONANT. During this cruise, wander the virgin expanses of the island of Santo Antao from Mindelo, admire the volcanic and verdant landscapes of Santa Cruz de La Palma, or discover the historic town of San Cristobal de La Laguna, a UNESCO World Heritage Site, from Santa Cruz de Tenerife. The diversity of experiences on offer promises you intense and varied moments (to discover the full range of excursions, go to the itinerary tab). Your discovery of Cape Verde will start with a port of call in Santiago, in Praia, the Cape Verde capital, where you will have the opportunity to visit the historic centre of Ribeira Grande, listed as a UNESCO World Heritage Site. Further to the north, you will reach Sao Vicente and visit Mindelo, the cultural capital of Cape Verde, the birthplace of the famous singer of morna, Cesaria Évora. Your ship will then set sail towards the mythical Canary Islands. Santa Cruz de La Palma will invite you to spend a moment suspended in time.

Here, the accent is on authenticity and tranquillity as you succumb to the charms of its unspoilt nature and its unusual architectural heritage featuring traditional Canarian houses with brightly-coloured wooden balconies, sumptuous palaces, and religious buildings. You will journey onward to El Hierro, the smallest of the Canary Islands. Among other activities, in this peaceful and tranquil haven scattered with volcanic desert and forests of pine and laurel, you will be able to enjoy these vast, untouched, lush spaces during a discovery tour of the island on an electric bike. Then your ship will take to the sea, sailing east to reach Santa Cruz de Tenerife. In these lands of a thousand contrasts, dominated by the emblematic silhouette of the Teide stratovolcano, discover the unique and fascinating landscapes found in the UNESCO World Heritage Site of Teide National Park. Finally, you will visit Las Palmas, on Gran Canaria Island, the final port of call on your

ITINERARY

Day 1 DAKAR

On the tip of the African continent, the buzzing capital of Senegal stretches along the narrow peninsula of Cape Verde. You may be overwhelmed by its sheer size, but Dakar will win you over with its richly diverse districts, appealing cultural scene and rich natural surroundings. In the historic centre, you'll enjoy the pell-mell of colours and tasty delights in Kermel market. Far from the effervescence of the city, Goree Island, a UNESCO World Heritage Site, is known as a place of remembrance, having once been a slave trade outpost. On the other side of the plateau, the wild Madeleine islands are protected by a national

park.

Day 2 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 3 PRAIA

The capital of Cape Verde, Praia, is located on the southern tip of Santiago island. You can dally in the districts planted with Tamarind and Albizia trees. Above the harbour, the statue of Diogo Gomes pays homage to the man who discovered Cape Verde in 1460. A few streets away, in the old centre, the Ethnographic Museum presents the diversity of the archipelago's cultural origins. Its historical building with transom windows is one of the city's more unusual curiosities.

Days 4 - 5 MINDELO

Set on the shores of the Porto Grande bay on the north-west coast of Sao Vicente, Mindelo is considered to be Cape Verde's cultural capital. Here in singer Cesaria Evora's homeland, you can listen to real morna in the bars of the old town, where you can also sip the local grog, a Cape Verdian sugarcane spirit. A few streets from the elegant floating resort of Pont d'agua you'll see the pastel-coloured houses and colonial buildings of the historical district. Other landmarks are the facades of the old Governor's Palace and the busy municipal market.

Days 6 - 7 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 8 SANTA CRUZ DE LA PALMA, CANARY ISLANDS

The capital of the island of Palma, Santa Cruz de la Palma is the

pearl of the Canaries. Founded in 1493 by the conquistador Alonso Fernandez de Lugo, the city has preserved a large and atypical architectural heritage from its colonial past, with its traditional Canarian houses adorned with brightly coloured wooden balconies, its cobbled streets, its sumptuous palaces and its numerous religious buildings. The Santa Catalina Castle is the symbol of the city. This 16th century military fortification helped defend the city from repeated attacks by French privateers.

Day 9 LA ESTACA, CANARY ISLANDS

With its particularly pleasant climate, El Hierro, the youngest of the Canary Islands, invites you to discover enchanting panoramas in an atmosphere of unrivalled calm and serenity. You will be captivated by the untouched natural environment, featuring a majestic volcano, lush forests, sheer cliffs and natural pools. Besides the treasures on land, you will also have the chance to discover its underwater environment. Teeming with life, it is a paradise for diving enthusiasts, since the island is home to the Punta de La Restinga Marine Reserve, its thousands of colourful fish and stunning underwater volcanic landscapes.

Day 10 SANTA CRUZ DE TENERIFE, CANARY ISLANDS

The capital city of Tenerife is located on the north-east coast of the island. Close to the port is the monumental Plaza de España, bedecked with a fountain and plant sculptures. Around the plaza, you can admire the white marble Triunfo de la Candelaria obelisk, the historic casino of Santa Cruz and the

majestic Guimera theatre. Not far from here, the picturesque Iglesia de la Concepcion church features the characteristic traits of Canaries architecture.

Day 11 LAS PALMAS DE GRAN CANARIA, CANARY ISLANDS

A stopover of sunny climes, Las Palmas is located on the north-east coast of Gran Canaria. A few streets away from Puerto de la Luz port, you'll discover the vast Las Canteras beach, bordered with the town's characteristic palms. You'll find these palms are all over Las Palmas, in the streets and squares, especially on the plaza de Santa Ana in the heart of the historical district. It feels like you've travelled back in time here, as you stand looking at the tall houses beside the Santa Ana cathedral. Very close by, you can visit the Casa de Colon, a museum dedicated to the famous explorer. The museum is housed in the palace belonging to the island's former governor. Chances are, you'll be drawn to the covered Vegueta market to partake in some daily life along with the locals and taste some unfamiliar dishes.
